What AAP Journals titles may I access online?

Enjoy the many improvements of our new website and discover a whole new world of possibilities connecting the biggest publishing titles in pediatric medicine with the most-trusted journal research and resources in pediatrics.

- ▶ *Pediatrics*®
- ▶ *Hospital Pediatrics*®
- ▶ *AAP Grand Rounds*™
- ▶ *Pediatrics in Review*®
- ▶ *NeoReviews*™
- ▶ *Pediatrics Open Science*
(NEW open access journal launching 2023)
- ▶ AAP policy
- ▶ Clinical practice guidelines
- ▶ Special supplements
- ▶ Digital Pediatric Collections
- ▶ Journal editor blogs
- ▶ AAP Career Center/PedJobs

Enjoy special new online features—

- **Split-Screen:** View tables and figures alongside articles.
- **Quick View:** Easily view only tables, figures, or videos.
- **Section Titles:** Quickly navigate to a section of the journal.
- **Share:** Quickly share articles with colleagues or on social media.
- **Cite:** Capture citation formats for your research paper.
- **Article History:** View previous article versions.
- **Subject Links:** Quickly view related articles of interest.
- **Comments:** Submit or view article comments from colleagues.
- **Connected Content:** View companion papers.

How do I access AAP Journals online?

Individual Subscribers

When you subscribe to AAP Journals, you'll automatically receive access for the term of your subscription. To check your subscription status, renew an existing subscription, or order a new subscription, visit shop.aap.org/subscriptions and browse [My Account](#) or go directly to publications.aap.org and log in with your AAP username and password. AAP Members receive *Pediatrics* and *AAP News* as benefits of membership.

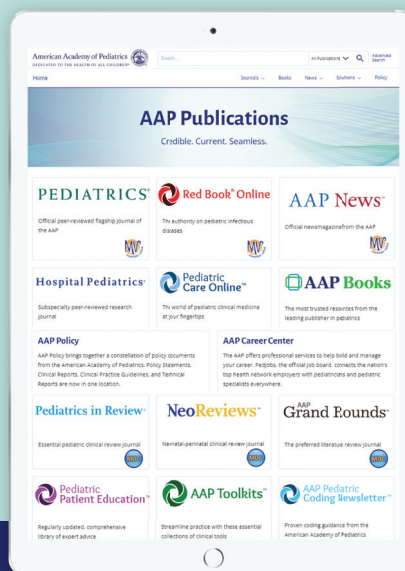

Through Your Institution's Subscription

When your institution subscribes to an AAP Journal, you'll automatically be "authenticated" by your computer's IP address, through your intranet, or through some other method. Access your institution's site license today at publications.aap.org. Any user connecting from an authorized computer on their institutional network will be allowed access to AAP Journals online. They'll also see a note at the top of the page confirming they're signed in as part of an institution.

Credible. Current. Seamless. AAP Publications—

the new home for **Journals, News, Point-of-Care Solutions, and Books**—offers unparalleled innovation and streamlined access to essential pediatric titles.

Tour and bookmark the new AAP Publications platform at publications.aap.org.

The gold standard publication for global pediatric care since 1948

PEDIATRICS®

pediatrics.org

Pediatrics provides the authoritative information you need to stay current with original, peer-reviewed research and evidence-based articles. Conduct new research studies, further education and training, and enhance your medical knowledge in pediatric patient care.

The mission of *Pediatrics* has endured since the founding editor penned it in 1948: *"The content of the journal is intended to encompass the needs of the whole child in [their] physiologic, mental, emotional, and social structure."*

EDITOR // Lewis R. First, MD, MS, FAAP

DEPUTY EDITOR // Alex R. Kemper, MD, MPH, MS, FAAP

***Pediatrics* is the most-cited journal in pediatric medicine.**

—Journal Impact Factor, *Journal Citation Reports*, Clarivate Analytics, 2022

Research that's in touch with pediatric inpatient care

Hospital Pediatrics®

hospitalpediatrics.org

Hospital Pediatrics is the first journal dedicated to hospitalists and offers the tools to help provide quick, correct, and targeted medical interventions.

EDITOR // Patrick Brady, MD, MSc, FAAP

DEPUTY EDITOR // Karen Wilson, MD, MPH, FAAP

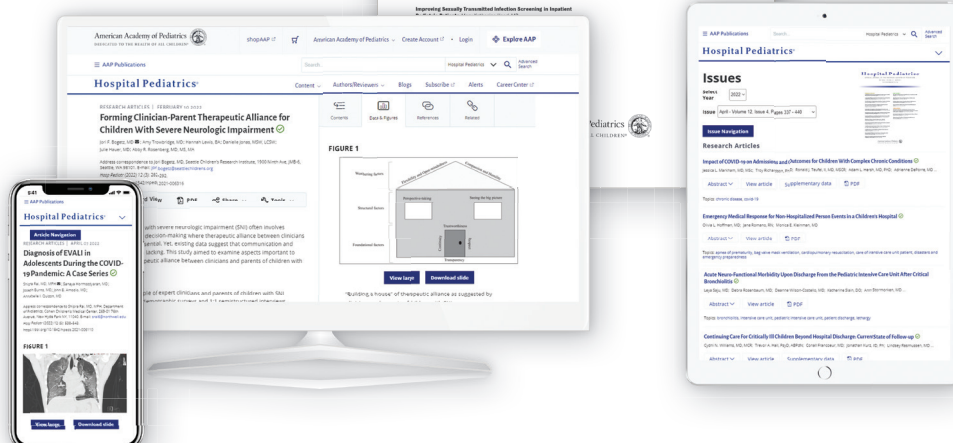

JOURNAL FEATURES

- Bending the Value Curve
- Brief Reports
- Method/ology **NEW!**
- Essays and Commentaries
- Perspectives
- Quality Improvement Reports
- Research Articles

| JOURNAL FEATURE |

Method/ology

Your research methodology lends credibility to your findings and ensures that they are scientifically sound. Using specific scholarly methods in early-stage translational work such as implementation research, qualitative research, improvement science, and medical education research can have a significant impact on a researcher's career path and, ultimately, the quality of care provided to hospitalized children.

AAP Journals Offering CME & MOC Credit

Continuing Medical Education Credit Claiming Information

AAP Grand Rounds

The annual subscription term for *AAP Grand Rounds* is on a calendar basis, January through December. Subscribers have access to full-text articles and CME quizzes for up to 3 years from the purchased product year. To earn MOC Part 2 credits, you will need to complete 2021, 2022, or 2023 journal CME quizzes. Complete 5 issue quizzes (9 questions per quiz) for journal CME credit, and upon achieving a 70% passing score, claim 18 MOC credits beginning annually in May.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this enduring material for a maximum of 18.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 18.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit(s)[™] from organizations accredited by the ACCME. Physician assistants may receive a maximum of 18 hours of Category 1 credit for completing this program.

This program is approved for 18 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

This activity is approved for 18.00 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP Portfolio at abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org or visit publications.aap.org/journals/pages/moc-credit.

NeoReviews

The annual subscription term for *NeoReviews* is on a calendar basis, January through December. Subscribers have access to full-text articles and CME quizzes for up to 3 years from the purchased product year. To earn MOC Part 2 credits, you will need to complete 2021, 2022, or 2023 journal CME quizzes. Complete 5 issue quizzes (10 questions per month) for journal CME credit, and upon achieving a 60% passing score, claim 10 MOC credits beginning annually each May.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 24.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 24.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit(s)[™] from organizations accredited by the ACCME. Physician assistants may receive a maximum of 24 hours of Category 1 credit for completing this program.

This program is approved for 24 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

This activity is approved for 10.00 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP Portfolio at abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org or visit publications.aap.org/journals/pages/moc-credit.

Pediatrics in Review

The annual subscription term for *Pediatrics in Review* is on a calendar basis, January through December. Subscribers have access to full-text articles and CME quizzes for up to 3 years from the purchased product year. To earn MOC Part 2 credits, you will need to complete 2021, 2022, or 2023 journal CME quizzes. Complete 10 issue quizzes (150 questions total) for journal CME credit, and upon achieving a 60% passing score, claim 30 MOC credits beginning annually in October.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 36.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 36.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit(s)[™] from organizations accredited by the ACCME. Physician assistants may receive a maximum of 36 hours of Category 1 credit for completing this program.

This program is approved for 36 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

This activity is approved for 30.00 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP Portfolio at abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org or visit publications.aap.org/journals/pages/moc-credit.

All AAP CME journals offer paid, calendar-year individual subscribers the opportunity to earn ABP-approved MOC Part 2 points annually.

All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the American Board of Pediatrics (ABP) activity catalog within each physician's ABP Portfolio.

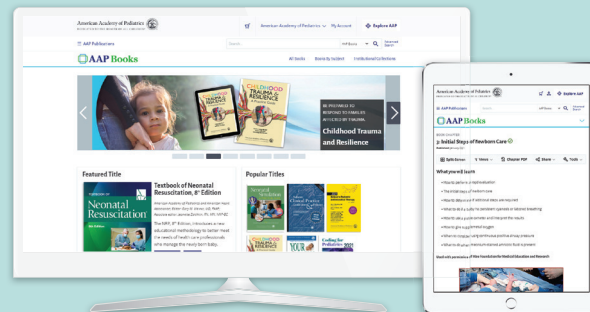

Consult your ABP Portfolio at abp.org for details about your specific certification requirements. For questions about how to access these activities, contact MOCPortfolio@aap.org or visit publications.aap.org/journals/pages/moc-credit.

All pricing and specifications presented in this catalog are subject to change without notice. Special offers and exhibit discounts cannot be combined with other offers or subscription renewals.

†Based on member type and current status.

Pediatric Resident and Fellowship Trainee Access

Residents who become AAP Members or belong to an AAP Member residency program receive complimentary access to *Pediatrics*, *AAP News*, *AAP Grand Rounds*, and *PREP The Curriculum*, which includes the journal *Pediatrics in Review*. Training Fellows who are members of the AAP and enrolled in neonatology-perinatology US or Canadian training programs receive complimentary access to *NeoReviewsPlus*, which includes the journal *NeoReviews*; sign up at go.aap.org/NeoPlusTrainees.

Organization Site License

Ask your subscription agent how you can get a site license to AAP Journals for your organization! Share this information with your administrator, department head, or librarian. Tiered pricing is based on the organization type—academic, medical, public/nonprofit, or corporate.

Order directly through the AAP

Phone: 866/843-2271 (Office hours: 7:30 am–5:00 pm Central time)

Fax: 847/228-1281 // Email: institutions@aap.org // Online: aaplibrary.org
