ALL INFORMATION BASED ON 2021 DATA

## CHILDREN'S HOSPITAL & MEDICAL CENTER

in Omaha, Neb., is a 225-bed nonprofit organization caring for children since 1948. Founded by the community and for the community, Children's is the only full-service pediatric specialty health center in Nebraska. Patients are referred from throughout the five-state region and beyond for the treatment of complex childhood diseases.

Our state-of-the-art Hubbard Center for Children opened in August 2021 and provides vital medical and surgical resources, and is home to Nebraska's only Level IV regional Newborn Intensive Care Unit, Fetal Care Center, the state's only Level II Pediatric Trauma Center and a first-in-the-region Cardiac Care Unit. At Children's, no child in need of medical care is ever turned away due to inability to pay.
