

## Pediatricians and pediatric hospitalist openings

If you're a pediatrician or pediatric hospitalist looking to make an exciting career move, we have great opportunities across the United States. We partner with some of the most prominent hospitals in the country through our pediatric hospitalist program, and we're rapidly expanding.

## **Pediatrix Medical Group**

- 40+ years in women's and children's health care.
- 38 states served across the country.
- 4,700+ physicians and advanced practice providers nationwide.
- 640+ hospital partners.
- 20+ service lines and subspecialties.

## The Pediatrix® difference:

- Live where you want: We have a vast presence with practices across the country!
- Do what you love: You've worked for it; it's time to enjoy it!
- Make a difference: Improve the lives of children and their families!
- Take part in the medical evolution: Research is in our DNA!
- Don't do it alone: Collaborate with our national network of pediatric specialists and truly be part of a cohesive medical group!
