

# Aya Locums

## **An experienced, accountable approach to locum tenens, delivering high-quality physicians and advanced practice professionals**

Finding the right provider for your health system or hospital requires an experienced and accountable team. Aya Locums has deep expertise in sourcing top-quality locum tenens for your unique setting. Our dedicated team collaborates with you and takes a consultative and strategic approach to fill your long or short-term locum tenens needs. Aya Locums engages a robust pipeline of physicians and advanced practitioners, including CRNAs, nurse practitioners and physician assistants in the following specialties:

- Anesthesia/CRNA
- Surgery
- Primary Care/Urgent Care
- Behavioral Health
- Emergency Medicine (ABEM, IM, FP & GP)
- Hospitalist/Intensivist
- IM Sub-Specialties
- Radiology
- Advanced Practice

## **THOROUGH DISCOVERY PROCESS ENSURES THE BEST FIT FOR EVERYONE**

The Aya Locums team undergoes a detailed discovery process to understand your facility's unique needs and requirements. We thoroughly vet our candidates against your requirements to ensure they are high-quality providers that would be the best fit for your facility.

## **INTERNAL QUALITY REVIEW TEAM SCREENS PROVIDERS**

Physicians and advanced practice candidates undergo a thorough screening by our dedicated account management team and a locums review team as warranted. This process ensures a high-retention rate and zero surprises during the credentialing process.

## **TRANSPARENT FEE STRUCTURE FOR FAIR MARKET VALUE PRICING**

We deliver competitive rates to keep fair market pricing with no administrative, daily, seasonal or additional fees. With our transparent fee structure, clients can make smarter staffing decisions to increase revenue.

## **AYA PARTNER NETWORK EXTENDS REACH TO INCREASE FILL RATES**

The Aya Locums account management team collaborates with the Aya Partner Network to increase fill rates. Thousands of additional recruiters work to fill your jobs quickly and all agency placements undergo Aya's thorough screening and compliance processes.

## **ONE POINT OF CONTACT FOR A STREAMLINED RECRUITMENT PROCESS**

A dedicated recruiting representative takes an individualized approach to finding the right clinicians to meet the unique needs of your healthcare facility. Your dedicated consultant connects you with our internal travel, licensing and credentialing departments to ensure your needs are supported.
