

The Intersocietal Accreditation Commission (IAC) offers accreditation for **Vascular Testing, Vein Center and Vascular Interventional (Deep Venous, Hemodialysis Access, Peripheral Arterial)**

IAC accreditation indicates a “seal of approval” that sets your facility apart from the competition – demonstrating to patients that your facility has been evaluated and approved based on quality imaging and safety standards.

Virtual attendees who complete the below form are entered for a **chance to win \$100 toward an AVLS membership!**

[**Click Here to Enter**](#)

**FOUNDATION FOR VENOUS
& LYMPHATIC DISEASE**

*IAC will also donate \$1 per booth visit to the
Foundation for Venous & Lymphatic Disease.*

Improving health care through accreditation®
