

**MTMI** Medical Technology  
Management Institute  
Your Global Medical Imaging Education Partner

## Continuing Education & Training for Imaging Professionals

- Radiologic Technologists • Mammographers • Sonographers • Radiologists
- Physicians • Medical Physicists • Biomedical Equipment Technicians

### Technologist Cross Training and Continuing Education

- Mammography
- Computed Tomography
- Breast Ultrasound
- Advanced Mammography
- Magnetic Resonance Imaging
- Vascular Ultrasound
- Radiography
- Advanced MRI
- Bone Densitometry
- PACS
- Fluoroscopy

### Physicist Hands-on Training and Webinars

- Mammography
- Nuclear Medicine
- Ultrasound
- Fluoroscopy
- MRI
- CT
- MRSE

### Physician Continuing Medical Education

- Stereotactic Breast Biopsy
- Vascular Ultrasound
- Musculoskeletal Ultrasound
- Breast Ultrasound

### Biomedical Equipment Technician Training and Webinars

- CBET Exam Prep
- Continuing Education

### Targeted Consulting in Imaging Education and Training

- ACR Failures
- Deficiencies
- Clinical Competencies
- Team Continuing Education
- MRI Safety
- Cross Training

## Training Schedule

### Initial Training in Mammography

- Jul 18-22 in Milwaukee and Online
- Aug 15-19 Online
- Sep 12-16 in Houston and Online
- Oct 10-14 in Las Vegas and Online
- Nov 7-11 in Milwaukee and Online
- Dec 5-9 Online

### EQUIP & Advanced Mammography Positioning Course

- Jul 29-30 in Milwaukee and Online
- Oct 21-22 in Milwaukee and Online

### Bone Densitometry Training Course

- Aug 20-21 Online
- Oct 15-16 Online
- Dec 3-4 Online

### Breast Ultrasound Training Course

- Aug 20-21 in Milwaukee and Online
- Sep 24-25 in Houston and Online
- Nov 5-6 in Milwaukee and Online
- Dec 10-11 Online

### LEADERSHIP

- **Pathways to Leadership Training**
- **Executive Leadership Series**
  - 2022 schedule of dates on website

### Essentials of Musculoskeletal (MSK) Ultrasound: Diagnostic & Interventional Skills

- Sep 16-18 in New Orleans, LA

### MRI Training Course for Technologists

- Oct 2-8 in Milwaukee and Online

### MRI Advanced Training Course for Working MR Technologists

- Oct 6-8 in Milwaukee and Online

### CT Training Course for Technologists

- Sep 19-23 in Milwaukee and Online
- Nov 14-18 Online

### Breast Biopsy: Stereotactic and Ultrasound Guidance

- Nov 4-5 in Cincinnati and Online

### Vascular Ultrasound Training Course

- Oct 14-15 in Milwaukee and Online

### PACS Administrator Training Course

- Sep 26-30 in Milwaukee and Online
- Nov 7-11 in Houston and Online

### Fundamentals of Biomedical Equipment

### Essential Physiology & Anatomy for Biomed Technology

### Changing the Way We Do Biomed Business

- 2022 schedule of dates on website
