

The Gold Standard in Medical Imaging Accreditation

Since 1987, the ACR® has accredited over 39,000 facilities in medical imaging modalities. Our robust and varied services allow you to fulfill all of your imaging accreditation requirements with one trusted source.

Gain the ACR Advantage

- No pre-accreditation on-site survey.
- Easy online application and renewal process.
- Multisite, multimodality pricing.
- Designed by radiologists and medical physicists.
- Peer-reviewed and educationally focused.
- Dedicated technologists on staff — certified in each modality.
- Customizable marketing toolkit.
