TWO national leaders.
Now **ONE** unparalleled
RESOURCE for the
HEALTHCARE industry.

Revenue Cycle Coding Strategies is a trusted partner of private practices, healthcare systems, hospitals, and other industry stakeholders, providing solutions for challenges in all aspects of the charge capture process. With decades of experience in both clinical and non-clinical arenas, RCCS consultants offer expertise in:

- Specialty Coding & Documentation Reviews
- Education & Training Resources
- Revenue Cycle Workflow Evaluation & Optimization
- Regulatory Compliance

Our mission is simple — to help our clients improve efficiency, ensure compliance and thrive in the complex and ever-changing healthcare industry.

Corporate offices located in Austin, TX
and Atlanta, GA.

IDENTIFY IT:

Struggling with denials, compliance, or delays and underpayment in reimbursement? As the recognized industry leaders in specialty coding, documentation and reimbursement, the RCCS team identifies the root cause of concerns and highlights areas of opportunity. Considering growth options? We can provide you the needed insights to make a confident decision.

Analysis & Audit Services:

- Billing, Coding & Documentation Assessments
- Compliance Audits
- Due Diligence Reviews
- Specialty EHR Assessment
- Revenue 360 Snapshot
- Payer Reimbursement Analysis
- Fee Schedule/Chargemaster Analysis

SOLVE IT:

With both clinical and operational expertise, the RCCS consultants will provide best practice recommendations and assist in implementing the changes necessary to streamline reimbursement, cut operational costs, maintain compliance with federal regulations and boost profitability.

Operational Development & Implementation Services:
