

# RadSite™

Accreditation Reinvented

# At-a-Glance

Discover the most cost-effective, innovative, streamlined accreditation program in advanced diagnostic imaging.

More than 350 private payers and CMS recognize RadSite's MIPPA Accreditation Program.

- One of four organizations designated by the Centers for Medicare and Medicaid Services (CMS) as an official accrediting body for advanced diagnostic imaging (ADI).
- CMS reimbursement pursuant to the Medicare Improvements for Patients and Providers Act (MIPPA).
- Accreditation for all advanced diagnostic imaging modalities: CT, MRI, and Nuclear Medicine (PET and SPECT).
- Over 1,000 ADI imaging suppliers accredited.
- Optional specialty modules covering practice areas such as cardiac, musculoskeletal, and neurologic imaging.
- Competitive pricing structure, with discounts available for multiple imaging systems and rural locations.
- Simple, secure online accreditation application that can be configured to pre-populate fields for streamlined data entry.
- Personalized, dedicated account manager to answer all questions and serve as an ongoing resource.
- Established feedback loops to improve imaging supplier performance.
- Strong participation in research and public policy initiatives to promote quality-based imaging.
- Access to educational materials, including blogs, issue briefs, webinars, and other resources.
