

Listen to Forgotten  
Victims: The Forensic  
Interview Podcast  
featuring Scott Modell,  
Ph.D. and Staci Whitney,  
LMSW on Spotify, Apple  
Music and iHeart Radio

“

*This training gave practical  
tools that I know will prove  
useful in my practice. It  
was presented in a  
fantastic way and I really  
enjoyed participating. The  
instructors were very well  
informed and I appreciate  
that they offered diverse  
backgrounds and  
experiences. Overall, just  
really happy with the entire  
experience.*

”

Advanced Certificate Training Participant

MCG's mission is to educate  
professionals nationally and  
internationally on how to  
communicate and work  
with vulnerable populations  
which include individuals  
with disabilities, mental  
health disorders and  
older adults.

## Advanced Certificate

This course is designed to support experienced forensic interviewers gather information from victims and witnesses with disabilities and mental health disorders in the most reliable and legally defensible way possible.

## Adapted for Individuals Who Do Not Speak

Founded in forensic interviewing best practices, this course is designed to support experienced forensic interviewers in gathering information in the most legally defensible manner from individuals who have commonly been classified as “non-interviewable.”

## Foundations for Forensic Interviewing Adults

This course is designed to support new interviewers in gathering information from adult victims and witnesses in a trauma-informed, victim-centered, reliable, and legally defensible manner.

## Law Enforcement Training

This course is designed for Law Enforcement and First Responders who want to increase their knowledge about the needs for crime victims with disabilities, including the most effective preliminary investigative steps to take when cases involve individuals with disabilities.

## Prosecutor Training

This course is designed for Prosecutors who want to increase their knowledge about the needs for crime victims with disabilities and learn about different ways to pursue charges in these cases.

## MDT Training

Offered as one or two-day trainings, the MDT Trainings are designed to support MDT members in increasing their knowledge about the needs of crime victims with disabilities, including practical communication strategies and adaptations.
