What Makes Pay Tel Unique

What Our Clients Say

"Pay Tel continues to provide new technologies and outstanding customer service that is a true asset to inmates, detention facilities, attorneys, and the entire law enforcement community."

Commander Todd Freeseemann
Chatham County Detention Center
Savannah, GA

"Inmates are taking a lot of educational courses. I'm shocked by the amount of courses they are taking. The violence, the outbursts, the whole mood of the facility has changed."

Capt. Nathan Fisher
Catawba County
Detention Facility
Newton, NC

The Pay Tel Value

Service-Driven

With Pay Tel, you are more than a number. We take pride in the level of care provided to our detention clients, their inmates, and the inmates' loved ones.

Tech-Centered

Pay Tel has dedicated Development and Innovation Teams working to create and support our technology. We are ever-evolving to provide innovative products to meet and exceed our clients' needs.

People-Focused

Our goal is to improve the lives of our clients, the inmates in their care, the friends and family on the outside, and the community at large.
