Effective Training

We offer both standard group trainings and self-guided trainings. The latter contains curated sets of focused training material specific to roles within your organization. These are all accessible anywhere, anytime.

Customer Testimonials

See what our customers have to say about us and Pace Scheduler.

"Pace always finds a solution to our unique scheduling and payroll processing needs. Pace has allowed us to reduce a great deal of paper with our payroll processing. It's great to be able to view our many departments' schedules in one place!"

TERRI MOORE
ELGIN PD, IL

"The Pace Scheduling software is the best solution for scheduling that I have seen in my 34 years of policing. It is easy to use and very customizable for any type of schedule no matter the size of the department."

CHIEF JOE FORD
COUNTRYSIDE PD, IL

"We've been using the software for about a year and a half, and it's working awesome. The support staff is great and Pace Scheduler has improved our scheduling process and made it more efficient."

WILLIAM RUSS
HAZELWOOD PD, MO
