

Comprehensive Portfolio for the Home Infusion Pharmacy

From Nutrition Compounding to Ready-to-Use Premixed Medications. It's All About Care — Everywhere Care Is Given.

Baxter is your trusted partner across the spectrum of healthcare. Especially in the growing and evolving Home Infusion setting. With a broad portfolio to support your needs, wherever care is given, Baxter is there.

EXACTAMIX AUTOMATED COMPOUNDER

CLINICAL NUTRITION

For more than 70 years, we've been assisting healthcare providers in treating patients' diverse nutrient needs. Today, we offer a comprehensive portfolio of products for acute and chronic patients who are unable to take adequate oral or enteral nutrition, or require supplemental parenteral nutrition.

- ✓ EXACTAMIX AUTOMATED COMPOUNDER
- ✓ AMINO ACIDS
- ✓ VITAMINS
- ✓ LIPIDS
- ✓ STANDARDIZED DUAL-CHAMBER PARENTERAL NUTRITION

PHARMACEUTICAL PORTFOLIO

Baxter offers a portfolio of intravenous premixed medications and injectable drugs, including:

- Antibiotics/Antimicrobials
- Anti-Emetics
- Inotropic agents
- Diuretics

IV AND IRRIGATION SOLUTIONS

We are committed to delivering patient-centric innovations that are designed to support access to the right product at the right time.

- Large Volume IV Solutions in VIAFLEX and VIAFLO containers
- Small Volume IV Solutions in VIAFLEX and VIAFLO containers
- Irrigation Solutions in VIAFLEX containers and Pour Bottles
- Drug diluents with integrated vial adaptor

PREMIXED IV PRODUCTS

Ready-to-use premixes offer consistent drug concentrations to help minimize medication errors related to compounding.^{1,2} Baxter's premixed medications, manufactured following current Good Manufacturing Practice (cGMP), are convenient and ready to use when you need them.

IV ADMINISTRATION SETS AND NEEDLE-FREE CONNECTORS

Administration sets that are both gravity and IV pump compatible through Baxter's Single Set Technology.

- Primary Sets
- Blood Sets
- Extension Sets
- Secondary Sets
- Specialty Sets
- Needle-free IV Connectors

THE REPEATER PUMP

A versatile fluid transfer system designed for fast, accurate and consistent fluid transfer, filling and pooling of medications. Designed to reduce the workload of pharmacy technicians through quick set up and the ability to handle a wide range of fluid transfer and filling applications with efficiency and accuracy.

Baxter is committed to meeting the needs of Home Infusion providers.
