Summary of eligibility requirements

- Patient must be a U.S. resident
- Must have private commercial insurance
- IGIV treatment must be covered by insurance
- The ADvantage Ig™ Patient Support Program provides deductible, copay or coinsurance and administration support only for IGIV products from ADMA Biologics
- Program covers up to a fixed amount of out-of-pocket costs per calendar year for eligible patients, after the patient has paid the first \$75 of their required deductible, copay or coinsurance and administration amount. The program will pay the amount covered by the payer's allowed amount as indicated on the explanation of benefits (EOB)
- The Program does not cover office/facility co-pays not directly associated with IGIV treatment or any other costs excluded by the Program guidelines not specifically mentioned here, which are subject to change

Terms and Conditions

This offer is valid only in the United States. Patient must be prescribed an IGIV product manufactured by ADMA Biologics, Inc. and prescribed by a licensed practitioner. Eligible patients must have private commercial insurance that covers medication costs for these products, and acceptance of this offer must be consistent with the terms of that insurer's drug benefit. Patients who pay cash or who are enrolled in or participate in any type of government insurance or reimbursement programs, including but not limited to Medicare, Medicare Advantage, Medicare Part D, Medicaid, Medigap, TRICARE, Veterans Affairs (VA), the Department of Defense (DoD) or other federally funded or state funded healthcare programs, are not eligible. Patients who move from commercial to federally funded or state-funded insurance will no longer be eligible for the program. Proof required for receiving payment for out-of-pocket drug costs must be a valid Explanation of Benefits (EOB) or specialty pharmacy invoice, which must be submitted within 120 days after each treatment. As a condition precedent of the cost share support provided under this program, e.g., copay or coinsurance amounts paid to administering providers, participating patients and administering providers are obligated to inform insurance companies and third-party payers of any benefits they receive and the value of this program, as required by contract or otherwise. Patient/Guardian may not seek reimbursement for value received from the Cost Share Program from any third-party payers, including flexible spending accounts or healthcare savings accounts.

Void where prohibited by law, taxed, or restricted. Additional terms and conditions may apply. ADMA Biologics, Inc. may determine eligibility, monitor participation, and modify or discontinue any aspect of this program at any time.
