JOIN OUR TEAM!

We are hiring across the country!

WHO WE ARE:

If patient care is your passion, then KabaFusion is for you! If you have experience with the administration of IV therapies in the home, outpatient, or hospital setting, we would love to hear from you!

Our home infusion nurses play an integral role in this process, working collaboratively with the interdisciplinary team of pharmacists, pharmacy techs, intake representatives, and the sales team across the continuum of care to ensure that prescribed infusion therapies can be safely and effectively administered in the home setting.

As a home infusion nurse, you will:

- Make a difference by using your clinical IV experience and personal touch to assist our patients in the comfort of their own homes
- Provide one-on-one patient care and education

WHAT WE OFFER:

- Flexible Schedule
- Competitive Compensation (door-to-door travel pay)
- Mileage Reimbursement (door-to-door pay)
- Shift Differential Pay after 5pm weekdays, 24hrs, weekends & holidays
- On-call program for additional compensation
- 401k with 4% Match (no waiting or vesting period)
- Reimbursement for certifications & ongoing certification renewal
- Free CEUs & reimbursement for approved CEUs
- Employee Referral Program
- Discounts on travel, cell phone, clothing & more
