

# Your Connection to **Quality Correctional Health Care**

Amid shrinking budgets and growing challenges, NCCHC has the resources and programs you need to provide constitutionally acceptable health care.

## **Accreditation**

Accreditation provides public recognition that your facility meets NCCHC's standards for quality health services. It reduces exposure to costly liability and recognizes your commitment to meeting quality goals and using best practices.

## **NCCHC Resources**

Full-service consulting for correctional health systems to help you identify, solve, and prevent your most important challenges from the most trusted name in correctional health care. Avoid costly litigation, mitigate a wide array of correctional health care risks, and reduce undesirable outcomes for staff and incarcerated people.

## **Professional Certification**

The Certified Correctional Health Professional program recognizes mastery of national standards and the knowledge expected of leaders in this complex field. Specialty certification is available for physicians, nurse practitioners, physician associates, and mental health and advanced professionals.

## **Standards and Publications**

NCCHC's *Standards* help ensure that systems, policies, and procedures align with nationally recognized best practices. NCCHC also publishes *CorrectCare* and the *Journal of Correctional Health Care*, the leading periodicals in the field.

## **Education**

NCCHC conferences are renowned for their educational programming, networking and commercial exhibitions.
