

POLICE LEGAL SCIENCES
ONLINE TRAINING FOR POLICE, DISPATCHERS AND JAILERS

PLS LEGAL UPDATE

ONLINE TRAINING

PLS Legal Update is a reality-based, state-specific online training system for law enforcement officials in Missouri and Iowa. PLS provides legal update, technical, and interpersonal skills training for police.

Our state-specific police legal update training is written by attorneys and is based on actual court cases selected from recent appellate court decisions.

Benefits:

- Reduces incidents of inadmissible evidence.
- Can be used to satisfy Missouri POST and Iowa Law Enforcement Academy continuing education requirements.
- Reduces liability exposure by ensuring officers understand current state and federal constitutional law.

PLS JAIL PRO

ONLINE TRAINING

PLS Jail Pro online reality-based training is designed to strengthen the ability of jailers, jail supervisors, and correctional officers to make effective decisions.

PLS Online Jail Pro Lessons are Designed to:

- Reduce the number of civil lawsuits by inmates and the size of settlements against jailers, jail supervisors, correctional officers, and counties.
- Reinforce jailer, jail supervisor, and correctional officer classroom training and supplement agency specific practices.
- Help jailers, jail supervisors, and correctional officers develop a sufficient understanding of the most current and relevant court rulings about jail operations so they can align their future conduct to conform with those decisions.
